[In the following Notification "Notes" means "Promissory Notes of the Government of India," and includes "Stock Certificates" issued in lieu thereof and "Loan Certificates with coupons attached."]

1. Notice is hereby given that all the Notes of the 4 per cent Loan of 1854-55 will be discharged at the General Treasury of Fort William (Public Debt Office, Bank of Bengal, Calcutta) on December 31st, 1894, on which date the interest on such Notes will cease.

2. Proprietors of Notes hereby advertised for discharge have the option, which must be exercised before noon of Wednesday, October 3rd, 1894, of tendering their Notes for reduction of interest from 4 per cent to 3½ per cent, such reduction to have effect from December 31st, 1894, in the case of Notes tendered before noon of Monday, September 17th, and from June 30th, 1894, in the case of Notes tendered thereafter.

3. The reduced loan thus constituted will be known as the 3½ per cent Loan of 1854-55, and no part of it will be paid off or discharged before August 1st, 1904, nor until the expiration of three months after notice of payment to be given by the Governor General of India in Council in the *Government Gazette*.

4. Notes may be tendered for reduction of interest at the Public Debt Office, Bank of Bengal, Calcutta, or at any other Bank (including the Bank of England) or Treasury to which they are for the time being enfaced for payment of interest. Notes so tendered must bear the following endorsement duly signed :—

"This Note (or Stock Certificate) is tendered for reduction of interest in terms of Notification of September 1st, 1894."

5. On Notes so tendered before noon of Monday, September 17th (in addition to any interest already due and payable on them), four annas per Rs.100 will be paid on account of difference of interest from June 30th, 1894, till December 29th, 1894. On Notes tendered thereafter, no interest will be paid.

In the case of Loan Certificates with coupons attached, each outstanding coupon will be stamped “Interest reduced to $3\frac{1}{2}$ per cent” before the Certificate is returned to the proprietor.

7. All future payments of interest on any Note so enfaced will be made on the usual half-yearly dates as if the Note bore interest at $3\frac{1}{2}$ per cent instead of 4 per cent.

8. When a Note so enfaced comes in ordinary course under renewal, it will be renewed in its original form, save that—

(1) For “four per cent” will be substituted “three-and-a-half per cent.”

(2) A clause will be added at the end—“The Governor General in Council hereby engages that this Note shall not be discharged before August 1st, 1904.”

This clause does not apply if the proprietor has an Attorney in India empowered to sell.
